Zone 2 CORE Objective (U13-U15)

Principles and Style

Implement Reno Apex SC Style of Play

Compete

Provide players with a competitive environment

Mindset

Develop a Reno Apex SC Growth Mindset

Individual

Develop the individual within the team

Club Concept

Implement club principles of play through club concept training

Zone 2 Objectives (U13-U15)

Develop individual players in four key areas:

- Dominate 1v1 (Technical/Decision Making)
- Possession/Pressing Actions (Small-Group/Team)
- Transition to Attack/Defend (Small-Group/Team)
- Team Tactics (Attacking and Defending Structures to Encourage Style of Play)

How

- High intensity training with accountability and correction
- Encourage bravery on the ball and competition in all areas of training and games
- Physical development to compliment soccer priorities
- Club style of play- proactive possession and mid-block to pressing (team orientated)
- Playing time- develop players
- Winning culture and environment

Training Objectives

Club-Wide Pool Training

Benefits of Club-Wide Pool Training

- **Instilling Club Style of Play**

1. Within the training environment we are able to get to larger sided games within the training environment to allow for continued teaching within our team training environment.

2. Our goal is to develop a a healthy competitive environment that is player-centered.

3. When the need arises for a guest player for a game or tournament the continued weekly pool training allows those players move into those team trainings seamlessly.

- **Vertical Integration of Players (Upward Mobility)**

1. Allow the continued tracking of all players within the pool and continued benchmarking/ monitoring to reward players who are developing over the course of the seasonal year.

2. Coaching staffs are using the club-wide game model/principles of play that ensures the same terminology and methodology throughout all of our teams

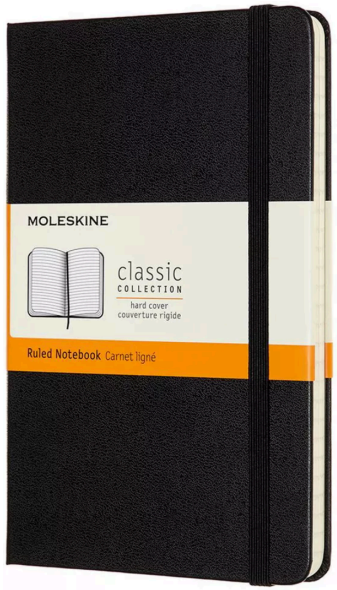
Resources

Player Development



Starting 2024-2025 we will encourage each player U11-U18 to use as personal reflection from training and games.

This program aides in the continued development of the player within our club-wide concept. The structure further supports our playing principles and club-wide style of play.

Resources

Player Development

These virtual meetings for our U12+ players further enforce our club-wide style of play, playing principles, player profiles and game model. These meetings allow us to examine video linking our style of play, playing principles and player profiles while expanding the game understanding of our players and their abilities to critically evaluate themselves to build an Individual Development Plan (IDP).

Resources

Player Development: Coming 2024-2025 Seasonal Year

1. **Goalkeeper Academy-** This will aid in continuing to support our GK's within the club that would provide consistent programming this is age-specific and playing level specific.

2. **College Placement Program-** To further aid our U16+ players, this program aims to educate, empower and enhance the opportunities of our players to assist them in gaining exposure to colleges and planning for the future.

Apex Program

To continue to build a club-wide concept, the Apex Program allows our players to gain experience with other members of our coaching staff that support our principles of play and club style of play.

How does the Apex Program Work?

All age groups train together in the same space and are organized into their birth years.

What is taught at the Apex Program?

Groups will be run through a rotating curriculum encompassed by: Non-direction activity, directional activity and small-sided games

When will it occur?

Our goal is to host at a minimum twice per month throughout the year
